

SailSolutions renews its support of the SSAA!

Dear Members,

Back in 2005, Greg and Sam Newton approached the SSAA Committee and offered a proposition to supply Rolly Tasker Sails, boat maintenance and running rigging to financial SSAA members at a preferred rate, as well as to support races on the SSAA calendar.

We are delighted to announce that they will continue their support in 2008!

The basis of the arrangement is that financial SSAA members can take advantage of:

- High quality and performance Rolly Tasker Sails at a 10% discount, before freight, import and GST,
- All Marine's full boat maintenance services including all running rigging at 10% off.

In addition, Greg & Sam will:

- Sponsor two races in SSAA's Winter Series calendar – the Pittwater to Newcastle Race in May, and the Pittwater to Port Stephens Race over the June long weekend.
- Provide a small financial benefit back to the SSAA for all services provided and sails sold.

Amongst members that have taken advantage of this great offer are Ian Westlake, David Eastwood, Eric Frank and Peter McCorquodale, all who would be glad to assure members of the quality of the products and services supplied.

How do you get this great deal? All you need to do is call Greg on 0413 705 559 or Sam on 0403 575 443 and tell them you're a member when you ask for a quote!

Alternately, e-mail them at info@sailsolutions.com.au or sam@allmarine.com.au. They will check your status with us, as SSAA policy doesn't distribute our membership list, and factor in the discounts when quoting back to you. Easy!

We think you'll agree this is a pretty compelling offer to our membership and we would urge you to get in touch with Greg or Sam to get that new Rolly Tasker sail wardrobe or attend to those rigging or maintenance needs now!

Regards,

The SSAA Committee
