## The 2011 Pittwater to Port Stephens Short-handed Yacht Race

### Sailing Instructions

Start 2000 hours Friday 10th June 2011

**Note:** This race is Race Three of the 2011 Winter Series. Results for the race will be calculated under handicap/divisions as advised in the Notice of Race. Results will also count towards the SSAA Champion Award.

#### 1 Race Rules

1.1 This race will be governed by the:

- 1.1.1 The rules as defined in the 2009-2012 Racing Rules of Sailing (RRS) of the International Sailing Federation (ISAF),
- 1.1.2 The International regulations for Preventing Collisions at Sea, when applicable,
- 1.1.3 The Notice of Race and as modified by these Sailing Instructions.

1.2 Specific attention is drawn to RRS Fundamental Rule 4, which states:

**The responsibility for a boat's decision to participate in a race or to continue racing is hers alone.**

1.3 No means of propulsion may be used other than the force of the wind on sails and/or the manpower of the crew. No form of powered handling device may be used when the yacht is underway, regardless of the source of power, other than:

- 1.3.1 electrical/hydraulic or wind powered self steering systems,
- 1.3.2 hydraulically operated mast jacks, stays and vang,
- 1.3.3 pumps to fill transfer and exhaust water ballast.

**Note: the above amends RRS Rule 42**

- 1.4 Radar and electronic charting/navigation systems are allowed. Canting keels and rotating masts are permitted, canting masts are not.
- 1.5 The crew is limited to two people, or three without autopilot. All crew shall be a minimum of 18 years of age as of the day of the race.
- 1.6 Competitors must carry out a radio check with the designated radio vessel on VHF 16 / 73 within the hour prior to the start, with both the fitted and handheld VHF radios. Any yacht that fails to communicate to the satisfaction of the designated radio vessel will not be considered as starting in the race. Further radio sked/details will be provided at the race briefing
- 1.7 The competitors have no right to expect or demand that rescue operations or other assistance be extended to them during any race.
- 1.8 The SSAA burgee should be flying at all times while racing, and whilst at D'Albora Marina.
- 1.9 Competitors seen dumping rubbish overboard shall be disqualified

#### 2 Safety

As stipulated in the Notice of Race. The SSAA, its committee, and members (SSAA) take no and disclaims all responsibility for the safety of any person and all competitors participate voluntarily and at their own risk. All liability to any person is hereby disclaimed and by starting in the race pursuant to these Sailing Instructions, all competitors, their heirs and assigns accept and adopt by conduct these limitations and disclaimers. The SSAA merely provides facilities for the

conduct of a race, such as provision of a starting line, finishing line and certain administrative services such as tabulation of results and handicap calculations. The SSAA is not responsible for the weather, sea state, seaworthiness of any vessel or the competence of its crew who all participate at their own risk in full knowledge that sailing in general and short handed sailing in particular can be dangerous including leading to death. No warranty or representation is made as to any of the foregoing merely by the fact that the race has been started and not postponed or abandoned. The decision to start or continue in the race is one entirely for an individual competitor.

### **3 Entries**

- 3.1 Eligible yachts may be entered by lodging the Entry Form with the SSAA by midday 9<sup>th</sup> June 2011.
- 3.2 Eligible competitors shall be single or multihulled yachts of 6.5 metres/21.67' – 18m/60' LOA, with a crew of 2 or 3 people. If crewed by 3 people, use of autopilot is not permitted.
- 3.3 All crewmembers must be over 18 years of age.
- 3.4 All crewmembers must be competent in the practice of ocean navigation and competent to take over complete charge of the yacht in an emergency.
- 3.5 The crew must have supplied:
  - 3.5.1 A current YA Category 3 Safety Certificate,
  - 3.5.2 A summary of previous yachting experience of both crew members together with supporting evidence in each case,
  - 3.5.3 A clear beam-on photograph of the entered vessel.

### **4 Race Briefing and Changes in Sailing Instructions**

A briefing will be held at Sydney Amateur Sailing Club on Thursday evening 9<sup>th</sup> June at 1900 hours. At least one person from each crew must attend. Information supplied at the briefing will form part of the Sailing Instructions. After the briefing any change in Sailing Instructions will be notified by the designated radio vessel as part of the routine position reporting.

### **5 Race Schedule and Start**

- 5.1 The race is expected to start at 2000 hours on Friday 9<sup>th</sup> June 2011. The start may be postponed at the discretion of the Race Committee.
- 5.2 The Start Line will be the line between Barrenjoey Lighthouse and the north eastern extremity of Lion Island. Yachts shall cross the starting line from west to east.
- 5.3 Race Time for the entire race, including starting and finishing will be coordinated with Eastern Standard Time - telephone 1194, no earlier than 24 hours prior to the race, or from a GPS receiver.
- 5.4 All yachts using their motor for propulsion after the preparatory signal must do a 360-degree turn, under sail, before starting.

### **6 The Course**

The Course is from the start line in Hunter Bay to the finish line at Port Stephens.

### **7 The Finish**

- 7.1 A yacht will be deemed to have finished when it crosses, from east to west, the transit of the western tip of Boondelbah Island and Point Stephens Light (Fl (4) 30s 38m 17M), leaving Boondelbah Island to port.
- 7.2 Competitors must take their own finishing time and record it on the Declaration Form attached which form part of these Sailing Instructions.
- 7.3 All competitors shall complete the attached Declaration Form in full detail and deliver it to the SSAA Race Committee within 8 hours of finishing. Failure to do so will incur a time penalty at the discretion of the Race Committee.
- 7.4 In the event of a close finish, please include an estimate of the time difference to nearby boats in your finishing report

### **8 Radio Communications**

Detailed Radio Instructions will be provided at the race briefing.

## **9 Alternative Penalties**

Yachts involved in an infringement of a Right-of-Way rule may do a 720-degree turn and proceed in the race but the committee reserves the right to impose additional time penalties or disqualification for rule infringements.

## **10 Retirements**

If a yacht retires or abandons the Race, the skipper shall be responsible for notifying the designated radio vessel at the earliest possible time. While the SSAA is not responsible for any yacht or its crew, and does not assume any responsibility to notify the authorities in relation to any yacht, the SSAA believes that competitors owe a responsibility to ensure that community resources are not needlessly spent should a yacht retire or abandon the race and not make notification of that fact.

## **11 Recalls**

No individual recall signals will be made.

## **12 Protests**

Protests will be heard, and will be treated with concern.

All protests must be made in accordance with RRS rules 60, 61 and 62 and delivered to the SSAA Race Committee within 8 hours of the protesting yachts finishing time.

## **14 Results**

Will be calculated as soon as possible at the completion of the race and handed to competitors and posted on the web site. At a minimum prizes will be awarded for 1<sup>st</sup> over the line and 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> on the SSAA handicap system. Prizes will be awarded at the AGM/PrizeGiving.
